

Derry Eagles

Derry Soccer Club's competitive, travel program

As the Derry Soccer Club's travel program, Derry Eagles teams compete with other town, community and regional teams through the Granite State Youth Soccer League (GSYSL). The Eagles program prides itself on player development through skills training, certified coaches, and the assistance of hired professional trainers. Travel teams typically practice twice a week for an hour and a half and play one or two games on the weekend. Players can also expect to compete in a number of tournaments throughout the year. Tryouts for the Fall travel teams are held in June while Senior teams (U15+) are held in January for their Spring-only season.

Annual player registration fees are very competitive ranging between \$280 and \$350 for both Fall and Spring seasons. Whether your child is just starting out at the Early Development Program (EDP) level or looking to improve their soccer skills in preparation for Middle School and above, the Derry Soccer Club can help.

Interested players should contact the Derry Eagles at derryeagles@comcast.net. You can also get more information at <http://derrysoccerclub.org>.

Derry Eagles Travel Divisions
